WHO WE ARE

COMPANY BACKGROUND

Bomi Drilling & Blasting (Pty) is more than just a company. It is a passion project, a legacy, and a testament to the power of hard work and determination. As a 100% black-owned enterprise, Bomi is committed to creating a better future for all South Africans. Our name, which means "My Life" in Xhosa, represents our dedication to improving the lives of those in our community.

Established in 2020 by Mr. Nkosi Sipho, Bomi Drilling and Blasting is a brand that stands for excellence, innovation, and quality. With a combined wealth of experience in the mining and explosive professions, our founder had a vision of creating a business that not only provided superior products and services to the mining industry but also made a meaningful impact on the community by creating jobs and opportunities.

Based in Witbank, Mpumalanga, our administration and the operational office is the hub of our operations. From here, we strive to bring cutting-edge technology and modern practices to the mining industry, revolutionizing how things are done and setting new standards for excellence.

WHAT MAKES DIFFERENT

04

OUR MISSION

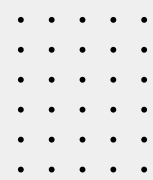

- Commit to providing uncompromised professional, quality results in the best turn-around time.
- To employ best practices benefitting both our clients and employees and those that are environmentally friendly.
- Adheres to international standards when conducting blast monitoring, measurements and quality checks.
- To create employment and assist in developing the South African economy in line with the Industrial Policy Action Plan II (IPAP 2) and the New Growth Path.

OUR VISION

We aspire to be a game-changer in the world of consulting, known for our exceptional standards, innovative approaches, and unparalleled results. Our goal is not just to be a local success story, but to expand our reach and make a significant impact on the global stage.

We aim to achieve this by staying true to our core values of excellence, integrity, and client satisfaction. We believe that by providing top-notch services, nurturing a talented and dedicated team, and building strong, long-lasting relationships with our clients, we can establish ourselves as a go-to source for consulting expertise, both locally and internationally. With this vision as our guiding star, we are confident that we can make our mark on the world and achieve lasting success.

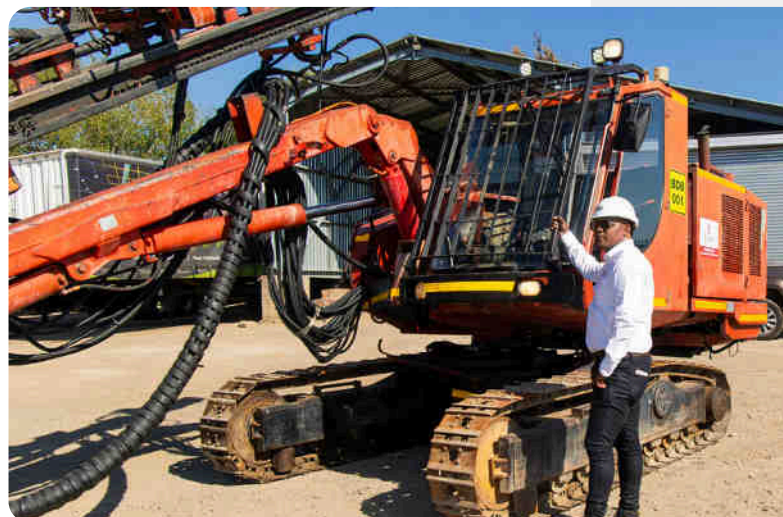

WHY US

05

OUR VALUES

- Customer Comes First: We prioritize providing exceptional customer service that exceeds expectations and fosters long-lasting relationships.
- Tech Innovators: We are committed to pioneering the latest technology and staying ahead of the curve to deliver cutting-edge solutions to our clients.
- Professional Standards: Our team of experts uphold the highest levels of professionalism in everything we do, from communication to project execution.
- Unwavering Integrity: We operate with honesty, transparency, and ethical conduct, building trust with our clients and earning a reputation for integrity.
- Community Champions: We recognize the importance of social responsibility and actively seek out opportunities to give back to the community through our work.

OUR LEADERSHIP

06

MR SIPHO NKOSI - MANAGING DIRECTOR

With over 15 years of experience in the mining industry, Mr Siphon possesses extensive knowledge and expertise in legal compliance for drilling and blasting, in accordance with the MSHA and Explosives Act.

He graduated from UNISA with a Safety Management NQF 6 degree and also holds a Chamber of Mines Safety Officer's Diploma. Furthermore, he has completed the competent B-Undergroup Rock Operation - V4 (MQA) and the competent A-Open Cast Mining Operations (MQA).

OUR SERVICES

07

SURFACE MINING EXPLOSIVES APPLICATION

Bomi Drilling and Blasting specializes in the application of explosives in surface mining operations. They use drilling and blasting techniques to extract minerals from the ground efficiently.

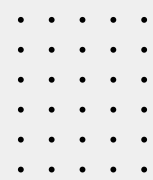

OUR SERVICES

08

TECHNICAL SERVICES

Bomi Drilling and Blasting provides technical services to help clients optimize their blasting operations. These services include Blast Audit, Blasting Optimization, Blast Designs, Charging up Units Management, and Maintenance.

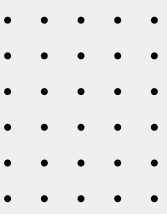

OUR SERVICES

09

ENVIRONMENTAL BLASTING

Bomi Drilling and Blasting also offers environmental blasting services, including Blast Assessments, Blast Monitoring Systems, and Fragmentation Analysis. These services help clients minimize the environmental impact of their mining operations.

OUR SERVICES

10

EXPLOSIVE SUPPLY

Bomi Drilling and Blasting supplies a range of explosives, including Emulsion, Expanfo, and Cartridges, to clients. These explosives are designed to be safe and efficient, providing maximum blast power with minimum risk.

OUR SERVICES

11

ACCESSORIES SUPPLY

Bomi Drilling and Blasting also supplies a range of accessories that are necessary for mining operations. These include Shocktube, Electronics, Boosters, and Cords.

OUR SERVICES

12

DRONE SERVICES

Bomi Drilling and Blasting offers drone services to clients. These services can be used to survey mining sites, assess environmental impact, and monitor blasting operations.

OUR SERVICES

13

TRAINING

Bomi Drilling and Blasting provides training services to clients, helping them to operate their mining equipment safely and efficiently. This training can be customized to meet the specific needs of each client.

OUR SERVICES

14

SANDVIK TAMROCK DX600 DRILL RIG

Our Sandvik Tamrock DX600 Drill Rig, available for lease, promises unmatched efficiency and dependability to tackle diverse drilling projects with ease. Experience unparalleled performance and reliability with our cutting-edge drilling solution.
